VENUE

Pontypool Golf Club was established in 1903. The course was initially at Pentranch, the opposite side of the valley to the current course & comprised of 9 holes. There was some discord among members and some left and established another golf course (Panteg Golf Club). Shortly after the end of WWI, both Clubs realised that at their present locations they could not expand to provide an 18 hole course. The Clubs agreed to amalgamate and rented land from Pontypool Park Estate, being parts of the Addawint and Pant-y-Gollen Farms at Trevethin. Additional land was leased on the mountain from the Blaenavon Company & the 18 hole course was finalised in 1923. One of the most important decisions in the history of the Club was to purchase the land on which the course was sited from the Park Estate in 1926 for the sum of £2,200. The original clubhouse was just off Folly Lane and an extension to the building was constructed in 1956 and officially opened in 1957. The cost of this extension was £2,400.

The “mountain holes” were finally abandoned at the end of 1966. During the early 1970’s the Club started to consider the question of a new Clubhouse. The current location (at Addawint) was agreed and the project was part funded by the sale of the 18th Hole and associated land and buildings to the County Council. The new Clubhouse was opened on the 20th March 1976.

FUNCTION ROOM

Our function room is the perfect setting to host a wedding breakfast or an evening party.

It has its own bar at one end of the room & a wooden dance floor at the other end that is perfect to host your first dance as husband & wife. You also have access to the canopy outside that is perfect for photos with the backdrop of the golf course or the view over the Welsh valleys.

The room can seat 100 guests for the wedding breakfast and 100 guests for an evening party with space for a DJ or band close to the dance floor.

The room can be decorated to how you see fit and we welcome all guests to come and have a look at the room so you can get a feel for just how spacious the room is.
